

**GERMAN AND INTERNATIONAL GERIATRICS FUNDING SYSTEMS  
& PROPOSAL WRITING FOR HORIZON 2020**

**Samstag, 14. Januar 2017 \* 9-13 Uhr**  
**Zentrum für Qualität in der Pflege**  
**Reinhardtthöfe, Reinhardtstraße 45, 10117 Berlin**

<b>09:00</b>	<b>The German System of Research Funding Sources</b> Cover the plethora of funding opportunities for foreign scientists and their German partners: DAAD, DFG, AvH and much more (including German benevolent foundations)
	<b>Where to apply and how?</b> Teaching the structured application form used in the German funding system - and pointing out pitfalls.
	<b>European and International Research Funding Sources - an overview.</b> With special emphasis on geriatric topics funding organisations
	<b>Basics of Horizon 2020</b> From the intentions of the Commission to research priorities and information sources
	The tools for beginners: MC Actions, Infrastructures, International Cooperation The tools for experts: Future and Emerging Technologies, Teaming & Twinning The tool for Superstars: European Research Council
	<b>From a Rough Idea to an Effective Proposal</b> The two-page-target summary: research, excellence, implementation, impact. Thinking like an evaluator. Proposal writing vs. mortal sins
	<b>Simplified: European information policy and the Participation Portal</b> Registration, Part A, part B, the PIC & the Proposal Guide The deadline - and a second too late..
	<b>The Commission Procedures</b> A look behind closed doors - thinking like a project officer. Proposal Evaluation, negotiation, management, reports, audits. Why is 85% great - but not enough?
	<b>The Art of Grant Writing</b> The perfect abstract; the do's and taboos; improving a supposedly finished proposal; improving a rejected proposal
	<b>General discussion</b>
<b>13:00</b>	<b>LUNCH TIME</b>

**There will be short breaks roughly every 50 minutes**
